SCHOOL OF MEDICINE

Chief Nurse Practitioner (NP),
Bayview Medical Center

The Johns Hopkins Department of Orthopaedic Surgery is seeking a full time Chief Nurse Practitioner (NP) to support our Faculty in the field of orthopaedic surgery. Responsibilities include leading the orthopaedic mid-level provider team (inclusive of nurse practitioners and physicians assistants), administrative duties, operating independent clinics in satellite sites, patient assessment, medical histories, physical examinations, ordering diagnostic tests, providing follow-up care in clinics and via telephone, and patient education.

Requirements include current license to practice, completion of a nationally accredited Nurse Practitioner program, 3 years experience in related clinical area, excellent clinical, organizational, communication, and service excellence skills.

For a complete job description, please visit our web site at <http://jobs.jhu.edu>. Qualified applicants should apply on line for position # **43715**. https://hrnt.jhu.edu/jhujobs/job_view.cfm?view_req_id=43715&view=sch

We offer a comprehensive salary program and excellent benefits including tuition remission/grant, in a smoke/drug free workplace. Johns Hopkins University is an equal opportunity/affirmative action employer committed to recruiting, supporting, and fostering a diverse community of outstanding faculty, staff, and students. All applicants who share this goal are encouraged to apply.
